

The National Survey
of Driver Wages
National OTR Edition

A National Transportation Institute Publication

Get timely driver wage information at the level of detail you always wanted!

Inside The National Survey of Driver Wages: National OTR Edition

The National Survey of Driver Wages: National OTR Edition details over 350 pay packages broken down into Company Driver and Owner Operators segments, divided by trailer types (dry van-refrigerated-flatbed), and detailed in 65 categories of driver wage, benefits and policies.

This is information at the level of detail you have always wanted to see!

Each quarterly issue of the The National Survey of Driver Wages: National OTR Edition gives you:

- ◆ A clear picture of where your driver pay package stacks up when compared to the industry and key competitors.
- ◆ The market intelligence needed to fine tune your driver pay package to maximize its impact on both recruiting and retention.
- ◆ Insight into trends affecting driver pay such as idling bonus, practical mile pay and performance bonuses.
- ◆ NSDW Pay Alerts that keep management informed of carriers changes driver pay between issues.

This survey has entered its 11th year of publication in 2007. The NSDW is published quarterly and is available in Excel and PDF formats. Readers can receive both formats at no additional cost. Pay Alerts, which outline significant pay changes made by carriers between issues to keep subscribers informed, are provided at no additional charge.
