

Take the guess work out of driver compensation so you know exactly where your pay package ranks.

Benchmark your existing driver pay package to the national and regional numbers for both private fleets and commercial carriers.

Inside The National Private Fleet Survey

As a subscriber, you'll receive an annual U.S. Survey of Private Fleet Driver Wages, which benchmarks your existing driver pay package to the national and regional numbers for both private fleets and commercial carriers. You'll also receive NTI's proprietary Five Year Driver Pay Forecast and Class 8 Driver Supply Forecast.

The National Private Fleet Survey gives you the information you need to:

- Understand the regional differences which exist in driver pay.
- Understand the trends affecting driver pay such as idling bonus, practical mile pay and performance bonuses.
- Keep informed of driver pay trends between issues with free NSDW- Pay Alerts.
- Get insight into over 10 activity based pay categories.

Pay Attributes Reported:

- Class 8 driver pay.
- National and regional pay scales.
- Hourly pay rates.
- Accessorial and activity pay.
- Driver behavior bonuses.
- W-2 pay.

Non-pay Attributes Reported:

- Fleet.
- Driver qualifications.
- Driver attributes.
- Miscellaneous attributes including EOBR Plans, direct cost of driver hiring-selection through assignment, primary operating states, and flexible schedules offered.

*The National Private Fleet Survey offers complete confidentiality, only you see your detailed data. And NTI methodology and data confidentiality assure you are in compliance with anti-trust laws.
